#### **Brief Process Description:**

materials weighed, blended, deposited, packaged and metal detected.

#### Overview of HACCP: available upon request

#### **Metal Detection:**

Checked at start up, every hour and end of each packing run.

#### Sieves:

n/a

2.11E+10

#### Packaging:

PET jar and lid with a paper label in a labelled board outer

### **Reycling Information:**

Lid - PLASTIC widely recycled

Jar - PLASTIC widely recycled

Label - PAPER widely recycled

Outer - PAPER widely recycled

Label - PAPER widely recycled

#### **Production Date Code:**

4 digit: digits 1-3 = day of year, digit 4 = year e.g 02/02/2017 = 0337

In the event of any issues, please quote the Best Before and Batch information

Health & Safety D	Data:	·		
Physical Appearance		A clear liquid		
Ingredients		See composition section of the specification		
Intended use		For food use. For adhesion purposes		
Storage & Handling		See specification		
Occupational exposure hazards		None under normal conditions of use at correct storage temperature.  Avoid eye contact		
Fire/explosion hazard		The product will burn if ignited but under normal conditions of use will present no fire risk		
	Eyes:	Flush with plenty of cold water. Seek medical advice if necessary		
First Aid	Skin:	Wash with soap and water		
FIRST AID	Ingestion:	No hazard under normal conditions of use		
	Inhalation:	No hazard under normal conditions of use		
Spillage		Wash area with detergent and water to avoid slip hazard		
Disposal of waste Normal was		Normal waste disposal in accordance with local and national laws		
Other hazards		None known		
Protective clothing Normal for food handling		Normal for food handling
