First Aid	Eyes:	Flush with plenty of cold water. Seek medical advice if necessary
	Skin:	Wash with soap and water
	Ingestion:	No hazard under normal conditions of use
	Inhalation:	No hazard under normal conditions of use
Spillage	Wash area with detergent and water to avoid slip hazard	
Disposal of waste	Normal waste disposal in accordance with local and national laws	
Other hazards	None known	
Protective clothing	Normal for food handling	

# Product Technical Specification

## Handling and Usage Instruction:

Shake before use. For best results position nozzle at 90 degree angle and approx 10 - 15cms from surface. Press down firmly to spray a fine mist onto your edible creations. After 5 - 10 sprays shake to optimise use. Nozzle angle can be changed to suit your needs.

## Possible Applications:

Simply spray to sparkle. Best used on freshly coated buttercream and Sugarpaste. Can also be used on Edible Glue.

## Recommended Storage:

Replace lid after use, store at ambient room temperature.
